

Living Memorial - Wildlife Box Application Form

Old Park Meadow is home to a wide range of local wildlife and fauna, and we are constantly trying to improve the habitat we provide for them. Habitat boxes are available to sponsor in memory of your loved one. We offer habitat boxes for a variety of wildlife, depending on the area in which they are to be placed. Some examples include habitats for birds, bats, butterflies, bees, and ladybirds, just to name a few.

Barn Owl Box – following guidance from the Essex Wildlife Trust we can only have two boxes at Old Park Meadow which have already been sited. Sponsorship of these boxes will help with the maintenance and upkeep of the boxes and a donation will be made to the Essex Wildlife Trust to enable them to continue their great work alongside us. Sponsorships are not exclusively available for any boxes.

All other boxes – once installed these provide a habitat for a guaranteed minimum of three years and will be repaired or replaced if necessary. This sponsorship can be renewed after the term to ensure that we continue to offer these habitats. Sponsorships are not exclusively available for any boxes.
